

5.4

Effective Action

What will help me do something that really moves me forward?

Sometimes I need to choose an effective action — even if it is not easy or immediately pleasant.

What happened?

1. _____
2. _____
3. _____

What will help me?

- _____
- _____
- _____
- _____

What am I about to do?

- _____
- _____
- _____
- _____

Before I act — a quick check

Does this bring me closer to what matters to me? ☐

Is it helpful even if it is hard right now? ☐

Is it a safe choice for me? ☐

Does it respect me? ☐

Does it fit my goals? ☐

Do I need support? ☐

The effective action I choose

1. _____
2. _____
3. _____

When will I do it?

What will help me persist?

1. _____
2. _____

What might get in the way?

1. _____
2. _____

An effective action is not always what feels easiest. But it helps me move closer to what matters to me.
