

Feelings Can Change

A feeling can change a little with time and help.

1 How can a feeling change?

Look at the pictures. What happens?

At first

Now

After some help

2 What helped a little?

Circle what could help.

Talk

Breathe

Hug

Rest

Water

Quiet space

Move my body

3 What did I learn?

Write or draw one short thing.

I learned that _____ 

Feelings move and change.
They do not stay the same forever.
