

2.3

Worry Thoughts

Worry thoughts can feel loud. I can notice them kindly.

1 What might worry say?

Choose one.

What if I mess up?

☐

What if no one plays with me?

☐

What if I can't do it?

☐

Maybe I can take a breath.

☐

Maybe I can ask for help.

☐

I can try my best.

☐

2 How does worry feel?

Choose one.

Worried

☐

Shaky

☐

Tight

☐

Quiet

☐

Clingy

☐

3 What can help when worry shows up?

Choose one or more.

Breathe slowly

☐

Give a hug

☐

Ask for help

☐

Take one small step

☐

Drink water

☐

Go to a quiet space

☐

4 What I want to remember

Choose one or write your own.

Worry is just a thought.

☐

I can take one small step.

☐

I can ask for help.

☐

I can try anyway.

☐

Something helpful I want to remember:

☐

I can notice worry and take one kind step.
