

10.1 Communication at Home

Learning to speak at home in a calmer, clearer, and more respectful way.

1. What usually happens for me at home when there is tension?

2. What do I need them to understand about me?

3. What helps me talk without exploding?

5 steps for a good conversation at home

1

1. Listen to the end

Give the other person space to finish without interrupting.

2

2. Pause for a moment

Breathe deeply, count to three.

3

3. Speak clearly

Say what I want in simple words.

4

4. Speak from feelings

Not accusations — talk about what hurts or matters to me.

5

5. Agree on a next step

Check what we understood and agree on one small next step.

4. What can I ask for clearly?

5. When is a good time for a conversation at home?

6. A sentence starter I can use

Even a small conversation can start change at home.
