

4.3

My Breathing Helper

I can use my breath to help me feel calm.

Let's try balloon breathing. Breathe in... hold... breathe out... Do it 3 times!

1 Breathe in

(big breath in through your nose)

2 Hold

(count to 2)

3 Breathe out

(slowly out through your mouth)

4 How do you feel after breathing? Check one.

Calm

☐

Better

☐

Still upset

☐

Worse

☐

My breath is always with me. I can use it anytime.
