

Is There Another Way to See This?

The first interpretation is not always the only one.
Let's check whether there may be more ways
to understand what happened.

2. What was my first interpretation?

Which interpretation came up for me right away?

They don't want me

He / she is against me

I'm a disappointment

I'm about to get hurt

I'm not good enough

Other

My first interpretation:

1. What happened?

Mark the situation that affected me.

At school ☐

With friends ☐

Online / phone ☐

At home ☐

In my body ☐

Other ☐

What happened in short:

Example

Maybe he / she
was busy

Maybe I didn't
understand the tone

Option 1: _____

Option 2: _____

Option 3: _____

4. Which interpretation feels more logical?

Let's choose an interpretation that
looks at the full picture more broadly.

I don't know everything

There are several
possibilities

It's possible to
check more

No need to jump
to conclusions

The more logical interpretation:

5. What will help me remember this?

What can help me next time?

Pause for a moment

Ask

Write

Check more

Talk with someone

The step I will try:

Thought Reminder

The first interpretation is not the only one.
When I check more possibilities,
I have more space to choose
how to respond.
