

I can notice what helps me feel safe right now.

1 What helps my body feel safer?

Slow breathing

Hold something soft

Warm blanket

Sit near a safe adult

2 What helps my space feel safer?

A quiet corner

Light on

Favorite object

Door open or nearby adult

3 People who help me feel safe

Family

Teacher

Therapist

Friend

4 My safety plan right now

5 My brave reminder

I am here right now

I can ask for help

Safety can grow

I can notice what helps me feel safe right now.

Noticing a Trigger Without Details

I do not need the whole story. I can notice a clue and get support.

1 A trigger clue can feel like...

My heart races

I feel jumpy

My body gets tight

I want to hide

2 Helpful things I can say

Something reminded me

I need a break

I need support

I need grounding

3 What helps me next?

Look around the room

Hold something warm or cool

Take slow breaths

Tell a safe adult

4 One clue I noticed today

5 My brave reminder

I can notice and pause

I can get support

I am safe right now

I can notice a clue and choose support.

I can gently notice my body and come back to the present.

1

What I can notice

My feet
on the floor

My hands
together

The chair
under me

My
breathing

2

Gentle ways to come back

Press
my hands

Wiggle
my toes

Stretch
my arms

Sip
water

3

What I may notice next

My body
feels softer

My breath
slows down

I feel
more here

I am ready for
the next step

4

My body grounding step

5

My brave reminder

My body
can settle

I can come
back slowly

I am
here now

I can come back to my body one gentle step at a time.

My Safe Place

I can imagine a place that helps me feel calm and safe.

1 What can be in my safe place?

A cozy chair

A soft blanket

A favorite toy or book

Quiet light

2 What does my safe place feel like?

Quiet

Warm

Calm

Protected

3 Ways to visit my safe place

Close my eyes and imagine

Draw it

Say my safety word

Sit in a cozy corner

4 My safe place

5 My brave reminder

I can visit my safe place

Calm can grow

I can rest and breathe

My safe place can help me feel calm and steady.

My Safe Person

A safe person can help me feel calmer, steadier, and less alone.

1 A safe person can...

Listen

Stay calm

Help me breathe

Help me make a plan

2 People who may be safe for me

Family

Teacher

Therapist

School helper or friend

3 Helpful words I can say

Can you stay with me?

I need help

Can we sit together?

Please help me feel calm

4 My safe person plan

5 My brave reminder

I can ask for help

I do not have to do this alone

Support helps me feel safer

A safe person can help me feel steady and supported.

I can notice which tools help me feel calmer right now.

1 Comforting tools

Water

Soft toy

Music

Cozy blanket

Hand on heart

Feet on the floor

Tell a safe adult

4 My body signs today

5 My brave reminder

My body can calm

I can notice without fear

Support helps my body settle

I can notice my body and help it feel safer.

My Grounding Plan

I can use grounding steps to come back to the present.

1 Grounding ideas

5 things I see

4 things I feel

3 things I hear

Say today's day and place

2 My best grounding tools

Slow breathing

Hold something warm or cool

Move my body

Ask for adult support

3 Places I can use my plan

Home

School

Therapy room

In the car or on the go

4 My grounding steps

5 My brave reminder

Grounding helps me come back

I can use one step at a time

I can ask for support

My grounding plan helps me come back to now.

My Safety Sentence

A kind safety sentence can help me feel steadier right now.

1

Safety sentence ideas

I am here
right now

I am safe enough
in this moment

I can breathe and
stay with this moment

Help is near

2

When I can use my sentence

When I feel jumpy

When my
body gets tight

When I
feel worried

When I need
grounding

3

What helps me remember it

Say it softly

Put a hand on
my heart

Write it down

Ask an adult to
say it with me

4

My safety sentence

5

My brave reminder

Kind
words help

I can talk to
myself gently

My sentence
can travel
with me

My safety sentence can help me feel steady and supported.

4.2.10
