

4.5 Balance and Evaluation

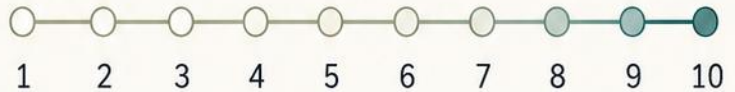

I create thoughts and evidence for and against what I believe / think.

I check what is both good and what I want to stop or change right now.

How strong is my feeling right now?

No discomfort

Very strong

What is good about it?

What is challenging?

What can I do right now to improve?

Next step:

Date for reviewing my plan: _____

Important reminder:

I learn from what I do, not from doing it perfectly.
